IMA French Chapter Newsletter

From the President

I would like to wish you all a prosperous and joyful 2015 and welcome you to our very first IMA French Chapter newsletter. Our vision is to develop a vibrant chapter, tripling our membership over the next three to five years. We will do this by developing our members' skills, growing our professional and academic network and engaging our members with appropriate communications and events.

The chapter management team has built a 2015 annual operating plan supporting these objectives. Further details may be found at [this link](#). We will provide periodic progress reports as a part of this newsletter.

The chapter will incur some costs to establish a website and to handle legal and administrative formalities. IMA Global requires chapters to be self-funding so we will be asking the French chapter members to contribute 20€ for 2015. Details of the operating costs may be found in the Treasurer's update in this newsletter.

We look forward to serving you and developing the IMA French Chapter in 2015 and beyond.
